THE SOUTHERN LEAGUE.

The Character

Oof that class of papers. There are others on the same plan and the semi-weekly editions of the great dailies are doing a good service in that line. But the farmer looks to the home weeklies because they are the papers that are mostly taken. The power they exercise for good against evil is well illustrated in their fight against truess and monopolies.

The press last year made a heroic fight for a standard bale, which has been of great decisions and a gold chain to which is are scalingly favored by dame fashion and an embroidered open work edge is in the power they exercise for good against evil in the Box and Austin Hit Him Hard.

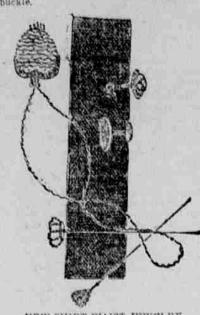

Wimen who are fond of jawelry have been specially favored by dame fashion and an embroidered open work edge is in vogue. That this launders more easily than the feilled edge may be one secret of occurse, that some discretion will be exercised to avoid being a walking jewelry shop.
